2. My desk is directly outside Lauren's office and on the evening of March 31<sup>st</sup>, Ruben Belliard walked past me to go into her office.
3. I told him that he was not allowed to go in but he continued past me into her office, saying, "I will deal with Lauren and I need privacy." He was in there for a little over a half hour. He then walked out with his bag and said to me "Hey Denise I'm done." I just quit! I am going into
